

Black Baron

Legion of the Damned

Lost crusader, noble blood, born for death
Ancestry, of satan's kin
Warlike, heritage, merciless
Servant, of the tsar

Black baron
(the) devil's scourge
Black baron
Ride out

Courageous, cruel, lust for war
Restoration, of the fallen throne
Merciless, executioners, bleeding corpse
Clouds of dust, signal, what is to come

Black baron
(the) devil's scourge
Black baron
Ride out

Demonesses grin, corpses being speared
Eyeballs from sockets, limbs revealing bone
Malefic demon gaze, when torturing the damned
Severed heads and flayed skins, scorpions feast on flesh

The baron's hordes are riding, trampling hoofs on barren grounds
Omens of death and torment, from hells of eastern lore
Emulating mahakala, cruel buddhist god of war
For the blessings of shambhala, slaughter for a divine cause

Omens of death and torment, from hells of eastern lore
Emulating mahakala, cruel buddhist god of war

Last khan, insane divine, no remorse
Chastising those who serve (him)
Shaman sadist, monk of death, infernally blessed
Bones and charms, adorn his (naked) chest

Black baron
(the) devil's scourge
Black baron
Ride out

Demonesses grin, corpses being speared
Eyeballs from sockets, limbs revealing bone
Malefic demon gaze, when torturing the damned
Severed heads and flayed skins, scorpions feast on flesh

Final charge of the baron, trampling hoofs on barren grounds
Omens of death and torment, from hells of eastern lore
Emulating mahakala, wielding his cossack sword
His hordes are being slaughtered, his terror is no more
