

Sermon of Sacrilege

Legion of the Damned

We the damned souls of the cursed legion
Rise to subvert the cult of the dead
The lord of the cross we deny
And for the sins of life we die
We the damned souls of the cursed legion
Rise to blaspheme the cult of the dead
To burn the book if lies
To mock the god who dies
We the damned souls of the cursed legion
Rise to destroy the cult of the dead
To set their temples on fire
To invoke oblivion for the liar
