

Summon All Hate

Legion of the Damned

Boundless hate boiling up from the dark abyss
Unleash your vengeful fury, from the blackest pits

Lord of the southern winds rises, herald of famine and death
Horrible manifestation, strikes my foes with fear

SUMMON ALL HATE!
HATE!
SUMMON ALL HATE!

Pazuzu ancient god of evil, open his demonic jaws
Bent on reaping souls, snatch them with his claws

Face contorted by malice, reveals a malevolent grin
Putrid stench of decay, as Pazuzu spreads his wings

SUMMON ALL HATE!
HATE!
SUMMON ALL HATE!

Once evoked, with forgotten spells
Beyond the gates of Babylon

Bring our enemies famine and brought
Unleashed your desert storms

SUMMON ALL HATE!
WE SUMMON ALL HATE!
WE SUMMON ALL HATE!
WE UNLEASH PAZUZU'S WRATH!
SUMMON ALL HATE!
WE SUMMON ALL HATE!
WE SUMMON ALL HATE!

Plagues of locusts to be unleashed
Upon those who don't revere

Dreaded omens of impending evil
The black swarms descending

SUMMON ALL HATE!
WE SUMMON ALL HATE!
WE SUMMON ALL HATE!
WE UNLEASH PAZUZU'S WRATH!

Pazuzu ancient god of evil, open his demonic jaws
Bent on reaping souls, snatch them with his claws

Face contorted by malice, reveals a malevolent grin
Putrid stench of decay, as Pazuzu spreads his wings

SUMMON ALL HATE!
WE SUMMON ALL HATE!
WE SUMMON ALL HATE!
SUMMON ALL HATE!
WE SUMMON ALL HATE!
WE SUMMON ALL HATE!

WE UNLEASH PAZUZU'S WRATH!
