

# I Was Made For Dancin'

Leif Garrett

You got me rollin' like a wheel on the road  
Turnin' round and round, nowhere to go  
I've got to find out if you're feeling it, too  
It's hard to tell, so here's what I do  
And everytime I want more  
I'll take you out on the floor

I was made for dancin'  
All-all-all, all night long  
I was made for dancin'  
All-all-all, all night long

The days and nights are moving by me and you  
You're such a crazy love, you tear me in two  
I spend my time moving to dreams and a phase  
It's a crazy love, you can see it in my face  
And everytime I want more  
I'll take you out on the floor

I was made for dancin'  
All-all-all, all night long (yeah)  
I was made for dancin'  
All-all-all, all night long

I was made for dancin'  
All-all-all, all night long  
I was made for dancin'  
All-all-all, all night long

Ah-hah, dancin'  
I was made for dancin', ah-hah  
I was made for dancin', dancin', dancin'

I was made for dancin'  
All-all-all, all night long (yeah)  
I was made for dancin'  
All-all-all, all night long  
Oh, I was made for dancin'  
All-all-all, all night long (yeah)
