I Was Made For Dancin'

Leif Garrett

You got me rollin' like a wheel on the road Turnin' round and round, nowhere to go I've got to find out if you're feeling it, too It's hard to tell, so here's what I do And everytime I want more I'll take you out on the floor

I was made for dancin' All-all-all, all night long I was made for dancin' All-all-all, all night long

The days and nights are moving by me and you You're such a crazy love, you tear me in two I spend my time moving to dreams and a phase It's a crazy love, you can see it in my face And everytime I want more I'll take you out on the floor

I was made for dancin' All-all-all, all night long (yeah) I was made for dancin' All-all-all, all night long

I was made for dancin' All-all-all, all night long I was made for dancin' All-all-all, all night long

Ah-hah, dancin' I was made for dancin', ah-hah I was made for dancin', dancin', dancin'

I was made for dancin' All-all-all, all night long (yeah) I was made for dancin' All-all-all, all night long Oh, I was made for dancin' All-all-all, all night long (yeah)
