

# Charmed Life

Leigh Nash

It's a charmed life  
Innocence wild  
Crayola skies for a thousand miles  
It's a good life in the happily ever after  
Last page of a very last chapter  
It's the story of a charmed life

It's a charmed life  
Unexplainable grace  
Stumbling, you fall right into place  
It's a childlike world and you can feel the magic  
Far from the typically tragic  
That's the beauty of a charmed life

Who needs to know  
When it all comes and when it all goes  
Who needs to know just when  
Fate will take you there

It's a charmed life  
Innocence wild  
Crayola skies for a thousand miles  
It's a good life in the happily ever after  
Last page of a very last chapter  
It's the story of a charmed life

Who needs to know  
When it all comes and when it all goes  
Who needs to know just when  
I know you'll be there (I know you'll be there)
