Leighton Meester

Oooh

Boy your drive is affecting me,
Ooh, hesitatin' the wheel;
Move, like your more then just wanting me,
Soon, I will dig in my heels.
(Just listen to these words that I say)

This is not a game I play,
With just any other guy;
It's no use to lose your way,
Just keep me in your arms baby,
Don't be careless with my heart;
And my breath, it starts to shake,
I'm not too delicate to love,
But I'm not to delicate to break.

Ooh, I can feel in your fingertips,
Ooh, That your grip is for real,
Come, find yourself lost within these hips;
Yeah, Let me see how you feel.
(Just listen to these words that I say)

This is not a game I play,
With just any other guy;
It's no use to be afraid of kinetic energy (yeahh),
Don't be careless with my heart;
And my breath, it starts to shake,
I'm not too delicate to love,
But I'm not to delicate to break.

Da Da Da Da Da Da Da
Love me up
