

# Blue Afternoon

Leighton Meester

I'm in your eyes  
In a crashing wave  
Baby, I'm your slave  
If you said so, I would  
I am a child caught in the rain  
Is this happening  
I hope so, it's so good

Oh, I don't know why I never believed it  
You came and I saw that light  
I gave in, I came close

Blue eyes of my lover  
Eyes of my man  
Green in the morning and  
Blue afternoon

You're the sky and the cold blue rush  
When we finally touch  
Sends me flying in space  
I am a cloud  
Floating in your eyes  
There ain't no disguising our heartbeats interlace

Oh, I have waded in water so deep  
I swam 'til I almost died  
I gave in, I came close

Blue eyes of my lover  
Eyes of my man  
Green in the morning and  
Blue afternoon

I don't mind wasting time  
In your eyes, I fall asleep soundly

Blue eyes of my lover  
Eyes of my man  
Green in the morning and  
Blue afternoon
