

Entitled

Leighton Meester

I'm an amnesiac, forgot what it's like to be happy
Some kind of maniac
Follow you around when I know you don't want me
I was so blind, don't ask, don't care
Opened my eyes, now I see there's

Something that I've been entitled to
For too long, too long, too long
Something that I've been missing out on

Shame on you
Shame on me too

I liked it in the dark
Feeling all around until I fell and stumbled
But now I've got a spark
Gonna light a fire and watch it crumble
I wasn't free, always in cuffs
No more asleep, now I woke up to

I've played in love
And it's got to end
I was in love but I won't pretend
There's something that I've been entitled to
Something that I'll never find in you
