Leighton Meester

I'm an amnesiac, forgot what it's like to be happy  
Some kind of maniac  
Follow you around when I know you don't want me  
I was so blind, don't ask, don't care  
Opened my eyes, now I see there's

Something that I've been entitled to  
For too long, too long, too long  
Something that I've been missing out on

Shame on you  
Shame on me too

I liked it in the dark  
Feeling all around until I fell and stumbled  
But now I've got a spark  
Gonna light a fire and watch it crumble  
I wasn't free, always in cuffs  
No more asleep, now I woke up to

I've played in love  
And it's got to end  
I was in love but I won't pretend  
There's something that I've been entitled to  
Something that I'll never find in you
