

She Said (Feat Stephen Jerzak)

Leighton Meester

Grab a drink dancin' under flashing lights
She's a queen but she wont put up a fight
Everybody knows that she's a looker but she ain't quite right
So I lie through my teeth again

Been around see I think I know the type
Honesty is not the policy she likes
Choice words spoken to her in the heat of night
So I lie through my teeth again

Oh boy would you mind if I got closer
Oh boy I can tell you want me don't cha
And I say what do you think that we cant get you anything you ask for
Out on the dance floor
She said

Oh do you love me
I wonder why she talks like that
Oh tell me something
Tell me how'd you get to be so bad
Hey I know something you don't
Let's go
We can go wherever you want to go
How would you feel if I told ya
You ain't worth the trouble

It's ard to think dancing under flashing lights
Touchin me tellin me I'm just her type
And everyone's telling me that she's a Hollywood hype
So tonight I'm gonna lie through my teeth again

Oh boy would you mind if I got closer
Oh boy I can tell you want me don't cha
And I say what do you think that we can't get you anything you ask for
Out on the dance floor
She said

Oh do you love me
I wonder why she talks like that
Oh tell me something
Tell me how'd you get to be so bad
Hey I know something you don't
Lets go
We can go wherever you want to go
How would you feel if I told ya

She's lookin at me but I know that she don't see
How could I love her when there's so many others
Blowing kisses at me but she aims to high
How could I love her when there's so many others

She's lookin at me but I know that she don't see
How could love her when there's so many others
Blowing kisses at me but she aims to high
How could I love her when there's so many others

She Said

Oh do you love me
I wonder why she talks like that
Oh tell me something
Tell me how'd you get to be so bad
Hey I know something you don't
Let's go
We can go wherever you want to go

How would you feel if I told ya
Let's go
How would you feel if I told ya
Dance floor
How would you feel if I told ya
Let's go
We can go wherever you want to go
How would you feel if I told ya
You ain't worth the trouble
