

# Your Love's A Drug

Leighton Meester

I like it, I want it  
The way you make my body move  
I think I'm addicted  
I'm high off everything you do

I'm going to call you, baby  
Don't you worry about a thing  
You're all I need

I've become a slave to my habit  
Fiending for your love  
Gotta have it now

You're all I need, your love's a drug  
Can't get enough, your love's a drug  
And I can't sleep, can't get enough  
Your love's a drug, your love's a drug  
Your love's a

I need it, that feeling  
Rushing through my veins again  
Whenever you're leaving  
I feel withdrawal all kicking in

I going to tell you how I feel  
How I couldn't breathe  
When you're not with me

I've become a slave to my habit  
Fiending for your love  
Gotta have it now

You're all I need, your love's a drug  
Can't get enough, your love's a drug  
And I can't sleep, can't get enough  
Your love's a drug, your love's a drug  
Your love's a drug

'Cause I miss you when you're gone  
So right, but still so wrong  
And I need to have you all the time

You're all I need, your love's a drug  
Can't get enough, your love's a drug  
And I can't sleep, can't get enough  
Your love's a drug, your love's a drug

You're all I need, your love's a drug  
Can't get enough, your love's a drug  
And I can't sleep, can't get enough  
Your love's a drug, your love's a drug  
Your love's a drug
