

(2x)

Been a long time -  
You say you missed me  
Word gets round -  
You shouldn't have dissed me  
Step back - don't try to kiss me  
Right about now I'm 50/50  
I heard it through the grapevine that you were with him  
Just the other night  
I don't know why I  
Try hard to keep  
You so happy  
When you don't love me  
Don't Love me

Are you calling me a liar?  
Are you saying that  
I'm not tellin the truth?  
Denying what she told me  
You know you got way  
Too much to lose  
You're claiming they are rumours  
You say you got nothin else to hide  
How come she told me?  
She saw somebody by your side

I know everything  
When I sent you on  
That shopping spree  
You went with him  
Spending my money  
Girl I'm so sorry  
But you gotta leave me,  
Just leave me

Are you calling me a liar?  
Are you saying that  
I'm not tellin the truth?  
Denying what she told me  
You know you got way  
Too much to lose  
You're claiming they are rumours  
You say you got nothin else to hide  
How come she told me?  
She saw somebody by your side

Can't knock this no you  
Can't hold me down  
Keep hustling - girl I  
Won't be around  
Can't knock this no you  
Can't hold me down  
Keep hustling - girl I  
Won't be around

[Chorus x2]
