

Little Miss Heartbreaker

Lemar

Give it to me

I've been around the world a few times.
I never seen a girl like her.
You got that kind of body that makes a man wanna buy the whole bottle.
It's amazing, the way you got me, ready to spend anything.
Boy ya kisses, wait a minute think I had a little too much to drink

Tell me what you want, because you can have it all baby
I can be your man and you can be my own lady.

She can pop it down. Ah ha
Nearly hit the ground for ya. Ah ha.
Turn it all around. Ah ha
Then she'll back it up for ya.

But she's sophisticated that you made it here tonight
Know exactly what has been missing from my life
Little miss heartbreaker
Little miss heartbreaker
Little miss heartbreaker
Won't ya shake what your mamma gave ya

Little miss heartbreaker
Little miss heartbreaker
Little miss heartbreaker
Won't you shake what your mamma gave ya

Every time she goes to walk past I can feel my world shaking
The way she got my heart going
Messing around won't make it (won't make it)
Hallelujah Hallelujah
Girl you really got me going.
Once upon a time I was blind. But now I got my eyes open. (Wide open)

Looks good to me like ice cream and cake
And you can feed it to me like it's my birthday

She can pop it down. Ah ha
Nearly hit the ground for ya
Turn it all around ah ha
Then she'll back it up for ya

But she's sophisticated that you made it here tonight
Know exactly what has been missing from my life
Little miss heartbreaker
Little miss heartbreaker
Little miss heartbreaker
Won't ya shake what your mamma gave ya

Little miss heartbreaker
Little miss heartbreaker
Little miss heartbreaker
Won't you shake what your mamma gave ya

Taken my heart, more then you'll know
Hate to see you go, but I love to see you walk away

Breaking my heart more then you'll know
Hate to see you go, but I love to see you walk away (walk away)

Little miss heartbreaker
Little miss heartbreaker
Little miss heartbreaker
Won't you shake what your mamma gave ya

Little miss heartbreaker
Little miss heartbreaker
Little miss heartbreaker
Won't you shake what your mamma gave ya
