

# Love Me Or Leave Me

Lemar

I ain't no superman  
I don't profess to be  
Can't play the righteous man  
That's way too hard for me  
If you keep waiting on perfect  
You might miss out on honesty  
If you don't really think i'm worth it  
Why do you keep coming back to me?

Love me, or leave me  
Choose me, or refuse me  
If you can't see, then leave me  
But love me

I know i can't give you the world  
But i'll give you all of mine  
I've got a few bad habits baby  
Just like the rest of mankind  
I just wanna be loved  
Don't wanna fight to keep my pride  
You know i'll never leave you baby  
Just do what feels right

Tell me  
No lies  
I'd rather know so i can sleep at night  
I'm a man, i can take it  
Whatever you choose, i'll face it  
As long as you know that i...  
I'm gonnz love you for life

[Chorus x2]
