

Sweet Love

Lemar

I know that sometimes it seems
It's only studios and parties
But baby I appreciate
The way you stand by me
And I know sometimes
You hear strange stories
But please remember girl
You've got a 100% of me

I just wanna say
Thank you for coming my way
You've been such a blessing to me
I just can't believe
I've put you through a lot
You've given me all you got
There through thick and thin

Baby all I need is your

Sweet Love
Been around the world
But girl I need your
Sweet Love
I've seen a thousand
Girls but all I want is your
Sweet Love
I know I won't survive without your
Sweet Love, sweet love, sweet love

I know that sometimes you feel
My work comes before you
But this is for both of us baby
I'd never ignore you
And I know sometimes you say
You are so lonely
I promise it won't be long
Before you can hold me

I just wanna say
Thank you for coming my way
You've been such a blessing to me
I just can't believe
I've put you through a lot
You've given me all you got
There through thick and thin

Baby all I need is your

Sweet Love
Been around the world
But girl I need your
Sweet Love
I've seen a thousand
Girls but all I want is your
Sweet Love
I know I won't survive without your
Sweet Love, sweet love, sweet love

I'm so thankful for your love
I will never get enough of you
Said I will never get enough of you

Baby all I need is your

Sweet Love
Been around the world
But girl I need your
Sweet Love
I've seen a thousand
Girls but all I want is your
Sweet Love
I know I won't survive without your
Sweet Love, sweet love, sweet love
