

Wait Forever

Lemar

Everybody wants to know,
What we got between us,
'Cause they don't see us,
When we're alone,
And when we talk on the phone.

No, they don't even got,
No idea about us,
'Cause we ain't tryna,
Let nobody step in,
And pull us out of this zone.

Do I think your fly?
Yes,
But I don't wanna pressure you,
To do anything you don't wanna do,
No,
Cause we gotta lotta time,
Yes,
And I plan on being with you,
For the rest of my life,
Girl I'll wait, it's alright.

I'm gonna wait for you,
Even if it takes forever,
Ever, ever, ever, ever,
That's what a real man's s'pose to do,
Ain't gonna give you no pressure,
Ever, ever, ever, ever,
I'm gonna wait here 'til,
The time is right baby,
'Cause I know when you say yes,
I'm a fill your appetite,
Yeah,
So I'm gonna wait for you,
Even if it takes forever,
Ever, ever, ever, ever,

Now baby I know,
Your hearing things,
About, girls I, had, before you,
But that don't change a thing,
Between us,
Girl I know we got chemistry,
That can't be replaced,
By anybody or by anything,

Do I think your fly?
Yes,
But I don't wanna pressure you,
To do anything you don't wanna do,
No,
'Cause we gotta lotta time,
Yes,
And I plan on being with you,
For the rest of my life,
I'll wait, it's alright.

I'm gonna wait for you,
Even if it takes forever,
Ever, ever, ever, ever,
That's what a real man's s'pose to do,
Ain't gonna give you no pressure,
Ever, ever, ever, ever,
I'm gonna wait here til,
The time is right baby,
'Cause I know when you say yes,
I'm a fill your appetite,
Yeah,
So I'm gonna wait for you,
Even if it takes forever,
Ever, ever, ever, ever,

There's a million things I wanna do,
But I'm gone put your feelings first,
No way that I'm gonna hurt my baby,
Making you do things,
You ain't ready to,
So,
I'm gonna wait, baby as long
As it takes for you...

I'm gonna wait for you,
Even if it takes forever,
Ever, ever, ever, ever,
That's what a real man's s'pose to do,
Ain't gonna give you no pressure,
Ever, ever, ever, ever,
I'm gonna wait here til,
The time is right baby,
'Cause I know when you say yes,
I'm a fill your appetite,
Yeah,
So I'm gonna wait for you,
Even if it takes forever,
Ever, ever, ever, ever,

I'm gonna wait for you,
Gonna wait for you,
That's what I'm s'pose to do,
Oh woahhh,
I'm gonna wait for you,
Gonna wait for you,
That's what I'm s'pose to do,
Oh woahhh,

I'm gonna wait here,
'Til the time is right baby,
Cause I know when you say yes,
I'm a fill your appetite,
Yeah,
So I'm gonna wait for you,
Even if it takes forever,
Ever, ever, ever, ever
