

Dinosaurchestra Part One

Lemon Demon

Travel back in time with me...
Two hundred million B.C.

What's your name, and what do you play?
My name's Neil and I don't play anything.

What fun should we have today?
Shook my Magic 8-Ball, and it said:

Let's rock out in a Dinosaurchestra!
Let's all shout in a Dinosaurchestra!
Let's have fun in a Dinosaurchestra!
Let's eat children in a Dinosaurchestra!
