Lemon Demon

May I take a nap in your nose?
I have not showered in thirty-six days.
Monkeys are tickling my tummy.
I have not showered in thirty-six days.
Take those pork chops out of your brassiere.
I have not showered in thirty-six days.
Oh no, the babysitter exploded!
Let go of my grandmother's moustache!
Monkeys are tickling my tummy.
Kiss me under the bologna tree.
May I take a nap in your nose?
Kiss me under the bologna tree.
Hey! Stop licking my kangaroo!
Kiss me under the bologna tree.
Oh no, the babysitter exploded!
I have not showered in thirty-six days.
