

Vow Of Silence

Lemon Demon

I never have a chance to say everything i want to say.
But that's okay. I don't need to say a thing anyway. Just want to take it in
. See the world, watch it spin. Learn to play the violin. I'll even try to s
hed any words from my head. Thinkin' Mentalese instead.

Don't call me on the telephone. I don't wanna be alone, but I have grown up
so leave a message at the tone.

Just want to take it in. See the world watch it spin. Learn to play the viol
in. I'll even try to shed any words from my head. Thinkin' mentalese instead
.

And I'll take a vow of silence.
Shut Up.
Shut Up.
Shut Up.

I'll take a vow of silence.
Shut Up.
Shut Up.
Shut Up.

I'll take a vow of...

Silence means that you can't speak. You can't let things out they stay insid
e. You just sit and nod like a quiet freak. And you hold your tongue and swa
llow your pride. And if your travelling down the street and you suddenly wit
ness a crime you gotta keep it to yourself you gotta keep inside your quiet
lil' mind. Until the end of time.

And you've got to.
Shut up.
Shut up.
Shut up. (Seen it Not Heard)

Shut up.
Shut up.
Shut up. (Not a single word)

Shut up. (For the rest of your life)
Shut up.
Shut up.

Now I'm no silent snob, but Teller and Silent Bob tend to do an awful job. B
ut let me tell you son. Harpo Marx is the one. I wouldn't be surprised if he
didn't have a tongue.

Oh I'll take a vow of silence.
Shut up.
Shut up.
Shut up.

I'll take a vow of silence.
Shut up.
Shut up.
Shut up.

Shut up.
Shut up.
Shut up.

I'll take a vow of.
I'll take a vow of.
I'll take a vow of.

Silence.
Silence.
Silence.
