

And The Crowd Goes

Lemonade Mouth

Who's that trying to talk to me
Standing over there looking like a wannabe
Keep me on ice, subzero degrees
I'm so solid that you can't see through me

We rock the stage like a playoff game
Don't have to say it, you know my name
Three-point shot, no time on the clock
And the crowd goes wild, ARE YOU READY OR NOT?!

And the crowd goes
OH OH OH OH OH OH OH
OH OH OH OH

And the crowd goes
OH OH OH OH OH OH OH
OH OH OH OH

And the crowd goes I'm a superstar
And I got a cool car
And the girls like me better
Than whoever you are
Cuz I make you're day
Lemme hear you say
OH OH OH OH OH

Your busted up club,
It was doomed from the start
Don't even try it,
We're state of the art
When we break the rules,
They bend for us
When they need the job done,
They send for us

Brand new kicks
And a brand new jersey
What do you expect,
Yeah we deserve it
Three-point shot, no time on the clock
And the crowd goes wild, ARE YOU READY OR NOT?!

And the crowd goes
OH OH OH OH OH OH OH
OH OH OH OH

And the crowd goes
OH OH OH OH OH OH OH
OH OH OH OH

And the crowd goes I'm a superstar
And I got a cool car
And the girls like me better
Than whoever you are
Cuz I make you're day
Lemme hear you say
OH OH OH OH OH

Let me get some of that
IT'S THE CRUSH

HERE WE GO
HERE WE GO

And the crowd goes
OH OH OH OH OH OH OH
OH OH OH OH

And the crowd goes
OH OH OH OH OH OH OH
OH OH OH OH

And the crowd goes I'm a superstar
And I got a cool car
And the girls like me better
Than whoever you are
Cuz I make you're day
Lemme hear you say
OH OH OH OH OH

OH OH OH OH OH OH OH
OH OH OH OH

Yeah you can't touch us

And the crowd goes
OH OH OH OH OH OH OH
OH OH OH OH

And the crowd goes
OH OH OH OH OH OH OH
OH OH OH OH

And the crowd goes
OH OH OH OH OH OH OH
OH OH OH OH

ONE, TWO, THREE, FOUR...
