

## Turn Up The Music

### Lemonade Mouth

Na, na, na, na, na, na, na  
Take a look around Who would have thought we'd all be here? So let's mess around 'Cause the future is unclear  
We got nothin' better to do We're just tryin' to get through Can you hear me? Can you hear me? Yeah  
Let the music groove you Let the melody move you Feel the beat and just let go Get the rhythm into your soul  
Let the music take you Anywhere it wants to When we're stuck and can't get free No matter what, we'll still be singing  
Come on, come on, turn up the music It's all we got, we're gonna use it Come on, come on, turn up the music Yeah  
All we have is now Let's make the most of this Come on, break it out So everyone can hear it  
They don't have to understand But we'll make 'em if we can Do you hear me? Are you with me? Yeah  
Let the music groove you Let the melody move you Feel the beat and just let go Get the rhythm into your soul  
Let the music take you Anywhere it wants to When we're stuck and can't get free No matter what, we'll still be singing  
Come on, come on, turn up the music It's all we got, we're gonna use it Come on, come on, turn up the music Yeah  
Come on, come on, turn up the music It's all we got, we're gonna use it Come on, come on, turn up the music Turn up the music  
Let the music groove you Let the melody move you Feel the beat and just let go Get the rhythm into your soul  
Let the music take you Anywhere it wants to When we're stuck and can't get free No matter what, we'll still be singing  
Come on, come on, turn up the music It's all we got, we're gonna use it Feel the beat and just let go Get the rhythm into your soul  
Let the music take you Anywhere it wants to Come on, come on, turn up the music Yeah
