

## Length Away

Lemuria

I'm miserable with you,  
I'm more miserable without you.  
I stay it's length away (3x).  
I miss you. (2x)  
You know that I miss you.

I spend more time missing you,  
Than kissing you.  
'Cuz I'll stay, it's length away from you.  
I stay it's length away (3x).  
I miss you. (2x)  
You know that I miss you.

I stay it's length away (3x)  
From you.  
I'll stay it's length away (3x)  
From you.
