

Pleaser

Lemuria

I am hinting hard
I am a hard hinter
I am a pleaser
And I am hinting hard

I never feel understood
I never feel
And I understand why

I am hinting hard
I am a hard hinter
I am a pleaser
And I am hinting hard

Pleaser, pleaser
Pleaser, pleaser

I am hinting hard
I am a hard hinter
I am a pleaser
And I am hinting hard
