

## Pleaser

Lemuria

I am hinting hard  
I am a hard hinter  
I am a pleaser  
And I am hinting hard

I never feel understood  
I never feel  
And I understand why

I am hinting hard  
I am a hard hinter  
I am a pleaser  
And I am hinting hard

Pleaser, pleaser  
Pleaser, pleaser

I am hinting hard  
I am a hard hinter  
I am a pleaser  
And I am hinting hard
