Bum, bum, bum, bum ba dum bum, ba dum.
Bum, bum, bum, bum ba dum.
Bum, bum, bum, bum ba dum bum, ba dum.
Bum, bum, bum, bum ba dum.

Monday kills,
Tuesday starts as always,
So my week has begun.
Someone stop me,
The parachute's failing.
I'm fed up!

Tossing and turning,
My life is on hold.
I wait, but
The line has gone cold.

Come on and face me,
Take me,
Now that it's your time to play,
And you will.
You befriend me,
Bend me,
Over and over again,
And again.

Again?

Breaking news:
Feel my head exploding.
Who will clean up the mess?
Start the car,
Could just run you over.
I'm fed up!

Running in circles,
My life is on hold.
I wait, but
The line is still cold.

Come on and face me,
Take me,
Now that it's your time to play,
And you will.
You befriend me,
Bend me,
Over and over again,
And again.

Please,
Give me a break.
What can I do?
Yes,
I think I should
Terminate you,
You,
You,

You.

Why don't you face me,
Take me,
Now that it's your time to play?
And you will.
You befriend me,
Bend me,
Over and over again,
And again.

Come on and face me,
Take me.
Ba ba da ba ba da ba,
Da da da.
Ba da ba, ba da ba ba.
Over and over again.
Ba da ba, ba da ba.
