

Melody

Lena Katina

Follow me into the night,
Close your eyes and see...
Let us fly so far away
I'll take you on this dream with me...

This is my melody!

And I won't let you go
I won't let you fall
There's something that I can feel...
This is my melody!
And I won't let you go
I won't let you fall
There's something that I can feel...
This is my melody!

I will lead you through the night
Come with, me you'll see...
In this place so far away
Just let go and dream with me

This is my melody!

And I won't let you go
I won't let you fall
There's something that I can feel...
This is my melody!

This is my melody!

And I won't let you go
I won't let you fall
There's something that I can feel...
This is my melody!
No I won't let you go
I won't let you fall
There's something that you should feel...
This is my melody!
