Follow me into the night,
Close your eyes and see...
Let us fly so far away
I'll take you on this dream with me...

This is my melody!

And I won't let you go
I won't let you fall
There's something that I can feel...
This is my melody!
And I won't let you go
I won't let you fall
There's something that I can feel...
This is my melody!

I will lead you through the night Come with, me you'll see... In this place so far away Just let go and dream with me

This is my melody!

And I won't let you go
I won't let you fall
There's something that I can feel...
This is my melody!

This is my melody!

And I won't let you go
I won't let you fall
There's something that I can feel...
This is my melody!
No I won't let you go
I won't let you fall
There's something that you should feel...
This is my melody!
