

Who I Am

Lena Katina

I can be weak, I can be powerful
My emotions taking a hold of me
Lock myself in get sentimental
Call it what you want, this is what you get
Live this moment, breathe the future

This is who I am, am, who I am
This is who I am, am, who I am
No more games or disbelieving
This is who I am, am, who I am
This is who I am, am, who I am
Stop to analyze your feelings

You can be sure, you should believe me
I have nothing to hide from you
I would never deceive you
If I wore a mask, you still can see me through
I will never turn into something I'm not

This is who I am, am, who I am
This is who I am, am, who I am
No more games or disbelieving
This is who I am, am, who I am
This is who I am, am, who I am
Stop to analyze your feelings

I know we need to compromise
We both need to sacrifice
Lower the guard, remove our defenses
There is nothing we can't overcome
Now that all the doubts are done
Love set us free

This is who I am, am, who I am
This is who I am, who I am...

This is who I am, am, who I am
This is who I am, am, who I am
No more games or disbelieving
This is who I am, am, who I am
This is who I am, am, who I am
Stop to analyze your feelings
