

# Taken by a Stranger

Lena

She's got a knuckle in her eye  
He knows her cat call  
Can't escape from telling lies I heard her saying

Heeeeey mind if I take this chair  
Heeeeey mind if I take this cha-ir

He drops a pause  
She looks annoyed  
But she's so mean he thinks she has to be the one

Taken by a stranger  
Stranger things are starting to begin  
Lured into the danger  
Trip me up and spin me round again

You got some coffee on your collar  
And you forgot to comb your hair  
But I can't wait till I do better  
You're here and I don't care

I can't help it if you like it Cause I won't be here tomorrow  
No one ever told you that you wouldn't be rejected

Taken by a stranger  
Stranger things are starting to begin  
Lured into the danger  
(Danger is a risky business)  
Trip me up and spin me round again

Dip dip dada dada da  
Dip dip dada dada da  
Uh Uh Uh Uh  
Nah nah nah nah nah

Put the blindfold on his eyes  
She saw him peek through  
Can't imagine her disguise  
I heard her saying

Heeeeey, mind if I take this chair?  
Yeeeeeah, see if I care.

Taken by a stranger  
Stranger things are starting to begin  
Lured into the danger  
(Danger is a risky business)  
Trip me up and spin me round again
