

# We Can't Go On

Lena

It's hard to let you know  
But it's not what it seems to be  
It's hard to let you go  
But I know it's right  
'Cause I cannot feel you

I try to hide my tears  
'Cause I hate the intensity  
Don't want to change my mind  
And I know what you will think of me  
But I cannot feel you, no

I always liked the way you looked  
You even read my favorite book  
I liked what you were telling me  
But it somehow never made me feel

We can't go on like this  
We can't go on like that  
If I can make a wish  
Don't take it bad  
We can't go on like this  
We can't go on like that  
Don't even try to understand

I wonder about your picture  
Of a perfect relationship  
Actually you do not really know  
Who you're with  
'Cause I cannot feel you

Now you say it's love  
But I can't really trust it 'cause  
Your ego is destroyed  
You feel weak, you feel busted  
I still cannot feel you, no

I liked the way you took my hand  
I liked your family and friends  
I dug what you were telling me  
But it somehow never made me feel

We can't go on like this  
We can't go on like that  
If I can make a wish  
Don't take it bad  
We can't go on like this  
We can't go on like that  
Don't even try to understand

I didn't mean to hurt you  
I was waiting for the kick  
Same as you did  
Surprisingly it seems  
That it never really came across

I tried to keep it up

And to think that we have got  
A great romance but  
It would never make me feel

We can't go on like this  
We can't go on like that  
If I can make a wish  
Don't take it bad  
We can't go on like this  
We can't go on like that  
Don't even try to understand

We can't go on like this  
We can't go on like that  
If I can make a wish  
Don't take it bad  
We can't go on like this  
We can't go on like that  
Don't even try to understand
