# Have I Ever Told You

**Lene Marlin**

Sometimes I can't take my eyes off you
Afraid that if I look away you're gone
Don't know what I would do then
Don't want to let you go
It took some time but now I know
Have I ever told you that you saved me
Thanked for all the good things that you gave me
Now it's time I understand
Go ahead, please take my hand

It never felt as right as this
I'm ready to move on
You see right through me every time
That's why I've just given up the act
I cannot tell how good it feels
It's all because of you
Did not see it then
But now I do
Have I ever told you that you saved me
Thanked for all the good things that you gave me
Now it's time I understand
Go ahead, please take my hand

It never felt as right as this
I'm ready to move on
