

Maybe I'll Go

Lene Marlin

You think you've made it everything's going so fine
But then appears someone who wanna
Tear you down
Wanna rip you off those few nice things you've found
When and if you hit the ground.
Then it's falling kinda hard
Cause all you do is being yourself
Trying everything to succeed somehow.
But that's not the way things are right now.
Feeling kinda lost.

Those reasons
Those unkind words being expressed
Oh: they'll get to you I promise one day.
But maybe then it's too late for you to say
I knew it from the go cause you know
That's some miles away from the truth.
Don't forget

Hey what do you think of me now
Am I not like I once were
Still if you don't know me
What's the story of this pen*
I guess you're not a stranger
And I can tell you're not a friend
It might take a while but I guess you'll manage waiting till then.
Then when you confront me with your thought

You may think I don't notice don't get a bit hurt by what you do
I ask you to please think of
What I've done to you.
Please search inside and let me know
If I've done something wrong I guess I'll go
Far hidden
Never to be found
Where I'm headed
I've got a suitcase in my hand
Filled with stuff most precious to me
Sidewalk brings my feet
Wherever they're headed.
There is no directions given
Just some trust in human mind to rely on
And to hold on to.
Honestly don't know where I'll end up at last
Won't even count the days.
One thing I sure know I won't move so fast
My mind in complete haze.

I pass by
Don't dare to stop
When there's someone I see
There's no one here but me
I'm fooled by something inside my head.
If I lay down now
I might seem kinda dead
Just keep on wasting time.

Scary thoughts and frightening sounds
In my mind still I try avoid it
Heading through this hope not one-way alley
I can't really sense my surroundings
Seems to be all dark around.
Nothing there, to lighten up my way.
Honestly don't know where I'll end up at last
Won't even count the days.
One thing I sure know I won't move so fast.
My mind is complete haze.

I pass by
Don't dare to stop
When there's someone I see
There's no one here but me
I'm fooled by something inside my head
If I lay down now
I might seem kinda dead
Just keep on wasting time.
