

## Maybe I'll Go

Lene Marlin

You think you've made it everything's going so fine  
But then appears someone who wanna  
Tear you down  
Wanna rip you off those few nice things you've found  
When and if you hit the ground.  
Then it's falling kinda hard  
Cause all you do is being yourself  
Trying everything to succeed somehow.  
But that's not the way things are right now.  
Feeling kinda lost.

Those reasons  
Those unkind words being expressed  
Oh: they'll get to you I promise one day.  
But maybe then it's too late for you to say  
I knew it from the go cause you know  
That's some miles away from the truth.  
Don't forget

Hey what do you think of me now  
Am I not like I once were  
Still if you don't know me  
What's the story of this pen\*  
I guess you're not a stranger  
And I can tell you're not a friend  
It might take a while but I guess you'll manage waiting till then.  
Then when you confront me with your thought

You may think I don't notice don't get a bit hurt by what you do  
I ask you to please think of  
What I've done to you.  
Please search inside and let me know  
If I've done something wrong I guess I'll go  
Far hidden  
Never to be found  
Where I'm headed  
I've got a suitcase in my hand  
Filled with stuff most precious to me  
Sidewalk brings my feet  
Wherever they're headed.  
There is no directions given  
Just some trust in human mind to rely on  
And to hold on to.  
Honestly don't know where I'll end up at last  
Won't even count the days.  
One thing I sure know I won't move so fast  
My mind in complete haze.

I pass by  
Don't dare to stop  
When there's someone I see  
There's no one here but me  
I'm fooled by something inside my head.  
If I lay down now  
I might seem kinda dead  
Just keep on wasting time.

Scary thoughts and frightening sounds  
In my mind still I try avoid it  
Heading through this hope not one-way alley  
I can't really sense my surroundings  
Seems to be all dark around.  
Nothing there, to lighten up my way.  
Honestly don't know where I'll end up at last  
Won't even count the days.  
One thing I sure know I won't move so fast.  
My mind is complete haze.

I pass by  
Don't dare to stop  
When there's someone I see  
There's no one here but me  
I'm fooled by something inside my head  
If I lay down now  
I might seem kinda dead  
Just keep on wasting time.
