

# Sitting Down Here

Lene Marlin

I'm sitting down here  
But, hey, you can't see me...

1. Your words cut rather deeply  
That's just some other lies  
I'm hiding from a distance  
I've got to pay the price  
Defending all against it  
I really don't know why  
You're obsessed with all my secrets  
You always make me cry

2. You seem to wanna hurt me  
No matter what I do  
I'm telling you just a couple  
But somehow it gets to you  
But I've learned to get revenge  
And I swear you'll experience that some day

R: I'm sitting down here  
But, hey, you can't see me  
Kinda Invisible, you don't sense my stay  
Not really hiding, not like a shadow  
Just thought I would join you for one day

\*: I'm sitting down here, but hey you can't see me

R: (2x)
