Black Velveteen

Lenny Kravitz

Black velveteen
Simple and clean
Oh what a bad machine

Black velveteen Supple and lean The 21st century dream

Ready to please Free from disease She's waiting on her knees

It's not a sin
Titanium skin
Just take her for a spin

Black velveteen
Simple and clean
Oh what a bad machine

Black velveteen Supple and lean The 21st century dream

Nice piece of kit Electronic clit Just sit down for a fit

Ready to trip
A guarantee hit
She's all you ever wished

Black velveteen don't give a damn she'll do dishes Black velveteen knows all the night spots in France Black velveteen's cat smells like strawberry kittens Black velveteen always is ready to dance She's ready to
