

Boongie Drop

Lenny Kravitz

Go sister, roll on it
Don't let the music stop
Girl gon' make that Boongie drop

Go sister, roll on it
Go sister, roll on it
Don't let the music stop
Girl gon make that Boongie drop
Go sister, roll on it

Late night the speaker's pumpin'
Flesh-to-flesh, grind-n-bumpin'
Hot pants, green and yellow
Round thighs, feeling mellow
The beat of the ghetto
Corn rows, bees and Afros
the deed buzz from Nassau
I'd love to show the night

Go sister, roll on it
Don't let the music stop
Girl gon' make that Boongie drop

Go sister, roll on it
Go sister, roll on it
Don't let the music stop
Girl gon' make that Boongie drop
Go sister, roll on it

Gonna make that Boongie drop
Gonna make that Boongie drop
Gonna make that Boongie drop
Gonna make that Boongie drop

Black heat fills the dance hall
Lovebirds got the back wall
Junglers boot like labels
High heels on the tables
Bare feet on the dirt floor
No one cares if you're poor
every lock in the door
ain't coming home tonight

Go sister, roll on it
Don't let the music stop
Girl gon' make that Boongie drop

Go sister, roll on it
Go sister, roll on it
Don't let the music stop
Girl gon' make that Boongie drop
Go sister, roll on it

Gonna make that Boongie drop
Gonna make that Boongie drop, uh
Gonna make that Boongie drop
put the kids to sleep on this one

Gonna make that Boongie drop

Pop, lock and drop it
I make that pussy speak Patois
Like Petra, remember hah?
Remember me from the basement parties?
i remember you tight tight no pantie

i be blowing on nigga type E
Brother rubbing so close stepping on my Nikes
At the red light, never give me red light
Only give me green light, you know what I mean right?
After my Red Stripe, hop up on my motorbike
Show me what the motor like
show me you can roll it right
All of my Guyanese, girl, they're Bohemians
All of my Jamaicans, shake it for me, shake it then

Go sister, roll on it
Don't let the music stop
Girl gon' make that Boongie drop

Go sister, roll on it
Go sister, roll on it
Don't let the music stop
Girl gon' make that Boongie drop
Go sister, roll on it

i said shake it, oh yeah

Go sister, roll on it
Don't let the music stop
Girl gon' make that Boongie drop

Go sister, roll on it
Go sister, roll on it
Don't let the music stop
Girl gon' make that Boongie drop
Go sister, roll on it

Gonna make that Boongie drop
Gonna make that Boongie drop
Gonna make that Boongie drop
Gonna make that Boongie drop
Gonna make that Boongie drop
Gonna make that Boongie drop
Gonna make that Boongie drop
Gonna make that Boongie drop
