

## Bring It On

Lenny Kravitz

I'm gonna walk by faith  
Gonna raise my sword  
I'm gonna fight my battle  
I'm gonna praise my Lord

It's getting heavy  
But I'm ready  
To take on this world and rock steady  
So come on, bring it on

I'm gonna face my demons  
Gonna tear them down  
I'm gonna keep on moving  
Gonna make my sound

It's getting heavy  
But I'm ready  
To take on this world and rock steady  
So come on, bring it on

Bring it on  
Oh bring it on  
Bring it on  
Oh bring it on

Bring it on  
Oh bring it on  
Bring it on  
Oh bring it on...
