

# Can't get you off my Mind

Lenny Kravitz

1. Life is just a lonely highway  
I'm out here on the open road  
I'm old enough to see behind me  
But young enough to feel my soul  
I don't wanna lose you baby  
And I don't wanna be alone  
Don't wanna live my days without you  
But for now I've got to be without you

R: I've got a pocket full of money  
And a pocket full of keys that have no bounds  
But when it comes to lovin'  
I just can't get you off my mind, yeah

2. Babe can't you see.....that this is killing me  
I don't wanna push you baby  
And I don't want you to be told  
It's just that I can't breathe without you  
Feel like I'm gonna lose control

R: I've got a pocket...

Am I a fool to think  
that there's a little hope?  
Yeah.....  
Tell me baby  
What are the rules, the reasons,  
and the do's and don'ts?  
Yeah.....  
Tell me baby, tell me baby  
What do you feel inside?

R: I've got a pocket full of money  
And a pocket full of keys that have no bounds, oh yeah  
But when it comes to lovin'  
I just can't get you off my mind, yeah  
I just can't get you off my mind, yeah
