

## Come On Get It

Lenny Kravitz

I know that you are mine  
Com'on  
Come on get it  
And I won't waste your time  
Com'on  
Come on and get it  
I feel like a K9  
Com'on  
Come on and get it  
Can I eat from your vine?  
Com'on  
Come on and get it

I'm in love with your love  
And I'm comin' to get it  
You know I can't turn it down  
I've gotta jump in it  
You know I can't feel the doubt  
'Cause I'm high on my spirit  
You know I'll fight for your love  
And you know that I need it  
Yeah yeah  
Come on get it

I'm in love with your love  
And I'm comin' to get it  
You know I can't turn it down  
I've gotta jump in it  
You know I can't feel the doubt  
'Cause I'm high on my spirit  
You know I'll fight for your love  
And you know that I need it  
Yeah yeah

Come on get it
