Does Anybody Out There Even Care

Lenny Kravitz

The dream is lost Don't let it slip away Or bloody days won't be far away 'Cause when there's no more sun There's no where you can run

Does anybody know how many lives we've lost Can anybody ever pay the cost What will it take for us to join in peace my friends Does anybody out there even care

Wake up world before it's too late It's time for love to conquer hate And when the battle's won We all can live as one

Does anybody know how many lives we've lost Can anybody ever pay the cost What will it take for us to join in peace my friends Does anybody out there even care

Неу

Riots in the streets, Men dressed in white sheets Is that what we want Oh a little boy hanging from a tree And a burning cross If we can learn that we're one we can overcome Before this takes us all We'd better catch ourselves before we fall

Does anybody know how many lives we've lost Yeah hey hey Can anybody ever pay the cost What will it take for us to join in peace my friends Does anybody out there even care Does anybody out there even care
