For The First Time

Lenny Kravitz

I want to fall in love again
For the first time
Makes me kind of wonder if you're still mine
I want to press your lips on mine

For the first time
Makes me kind of wonder if you're still mine
Love is something
You can't get in a five and dime

And love is the question of more time And love is something That's really hard to find Love makes a strong man

Get down on his knees in the crowd Just lay your hand On mine Yeah, for the first time

Makes me kind of wonder if you're still mine And I wonder If you'll ever really be mine
