

# Here to Love

Lenny Kravitz

We must all unite for we are one creation  
We must join the fight, together we are strong  
We must do what's right in every situation  
Love each other's lives as you would do your own

Just think twice  
Before you cast your stone at someone's soul  
It's their life  
So the choice is theirs and theirs alone

We're not here to judge  
We are here to love  
There's no room for hate  
We are just one human race  
We must rise above  
We are here to love  
There's no time to waste anymore

We must all unite, there's no more segregation  
When you've seen the light there's nowhere else to go  
And with peace in sight no walls could separate us  
We would be as one because this earth's our home

Just think twice  
Before you cast your stone at someone's soul  
It's their life  
So the choice is theirs and theirs alone

We're not here to judge  
We are here to love  
There's no room to hate  
We are just one human race  
We must rise above  
We are here to love  
There's no time to waste anymore

Will we learn from our past?  
Our clock is running fast

We're not here to judge  
We are here to love  
There's no room for hate  
There is just one human race  
We must rise above  
We are here to love  
There's no time to waste anymore

We're not here to judge  
We are here to love  
There's no room for hate  
We are just one human race  
We must rise above  
We are here to love  
There's no time to waste anymore
