

## Low

Lenny Kravitz

if you wanna talk to me  
know that I am plain to see  
I don't want this thing to be  
staining my reality

don't lift me up  
to turn me down  
I just want a lover  
baby stay with me all around  
drop with me, let me go  
gotta to keep be low  
drop with me, let me go  
gotta to keep be low

if you bought the fantasy  
it's murder in the first degree  
is my sexuality  
creating such a tragedy

don't lift me up  
to turn me down  
I just want a lover  
baby stay with me all around  
drop with me, let me go  
gotta to keep be low  
drop with me, let me go  
gotta to keep be low  
don't lift me up  
to turn me down  
I just want a lover  
baby stay with me all around  
drop with me, let me go  
gotta to keep be low  
drop with me, let me go  
gotta to keep be low

I'm so tired of playing this crazy game  
someone's always left out in the rain  
is there a chance that we can make it  
just keep it real cause we can't fake it

cause you and I can't take this anymore  
we've got to keep our feet right on the floor  
there's no more secrets, no more laying  
baby I'm really, really trying  
to get to love

don't lift me up  
to turn me down  
I just want a lover  
baby stay with me all around  
drop with me, let me go  
gotta to keep be low  
drop with me, let me go  
gotta to keep be low
