

Pay To Play

Lenny Kravitz

She said I want the money
I know you want this honey
Your skies will not be sunny
If you don't bring it home to me

Don't want to hear you crying
'Cause baby I'm not trying
to wait for your dreams to fly in
Then she smiled and said to me

Well I don't believe in what you do
and I don't believe in what you say
I don't believe in you
You got to pay the price if you want to play

She said I thought you loved me
Was it just a charade
Were you not thinking of me
When are we going to get paid

I have been waiting all this time
and I'm about to fade
You better make that money
Do you hear what I am saying

Well I don't believe in what you do
and I don't believe in what you say
I don't believe in you
You got to pay the price if you want to play
