Stand by My Woman

Lenny Kravitz

There were times I wasn't kind And there were times I wasn't even around And there were times I made you cry So many times I had to say goodbye When you want to talk I'm on the phone But now baby I am here for you alone

I'm gonna stand by my woman now I'm gonna stand by my woman now 'Cause I can't live my life alone Without a home

There were times I didn't understand And there were times I wouldn't hold your hand But baby now I'm here for you 'Cause baby I am so in love with you

I'm gonna stand by my woman now I'm gonna stand by my woman now 'Cause I can't live my life alone Without a home

I'm gonna stand by my woman now I'm gonna stand by my woman now 'Cause I can't live my life alone Without a home

I'm gonna stand by my woman now I'm gonna stand by my woman now 'Cause I can't live my life alone Without a home Stand by my woman now I'm gonna stand by my woman now

'Cause I can't live my life alone Without a home Without a home
