

# Storm

Lenny Kravitz

My life has taken me beyond the planets and the stars  
And you're the only one that could take me this far  
I'll be forever searching for your love

I walked away but I was wrong  
You're the one that keeps me strong  
You're the fire that keeps me warm  
How will I get through this storm?

At night, I pray before I sleep in hope of finding you  
I've opened up my heart, I want you to come through  
I close my eyes, I'm searching for your love

I walked away but I was wrong  
You're the one that keeps me strong  
You're the fire that keeps me warm  
How will I get through this storm?

Jay-z: I got the bounce Lenny  
Check me out  
Brooklyn's bad boy back again  
Feet hit the ground runnin' and my back's to the wind  
Angels on my shoulders, head in the clouds  
No, I'm not rappin', I'm just thinkin' real loud  
My karma's my armor, my charm and wit  
Is like a lethal bomb, I'm warm and s\*\*\*  
And I did bad for good but when you're trapped in the 'hood  
You do worse for less, homie earth's a test  
Only god can judge me  
My heart ain't ugly  
But the thoughts that I drop is heavy  
Try budge me  
Mama loved me, pop left me  
Still the homies call me lucky lefty  
I'm flashy and bentley  
Deceptively smart  
I make hustlin' heaven and pimpin' an art  
Long as I know that I'm blessed  
'Cause I'm loved in depth  
I can walk through the water and not get wet  
I'm that fresh

I walked away but I was wrong  
You're the one that keeps me strong  
You're the fire that keeps me warm  
How will I get through this storm?

Jay-Z: There you have it  
Young hov, Lenny Kravitz  
Not your average  
Get your umbrella  
It's raining macs and broads  
all grace to god

I walked away but I was wrong  
You're the one that keeps me strong  
You're the fire that keeps me warm

How will I get through this storm?
