My life has taken me beyond the planets and the stars And you're the only one that could take me this far I'll be forever searching for your love

I walked away but I was wrong You're the one that keeps me strong You're the fire that keeps me warm How will I get through this storm?

At night, I pray before I sleep in hope of finding you I've opened up my heart, I want you to come through I close my eyes, I'm searching for your love

I walked away but I was wrong You're the one that keeps me strong You're the fire that keeps me warm How will I get through this storm?

Jay-z: I got the bounce Lenny Check me out Brooklyn's bad boy back again Feet hit the ground runnin' and my back's to the wind Angels on my shoulders, head in the clouds No, I'm not rappin', I'm just thinkin' real loud My karma's my armor, my charm and wit Is like a lethal bomb, I'm warm and s\*\*\* And I did bad for good but when you're trapped in the 'hood You do worse for less, homie earth's a test Only god can judge me My heart ain't ugly But the thoughts that I drop is heavy Try budge me Mama loved me, pop left me Still the homies call me lucky lefty I'm flashy and bentley Deceptively smart I make hustlin' heaven and pimpin' an art Long as I know that I'm blessed 'Cause I'm loved in depth I can walk through the water and not get wet I'm that fresh

I walked away but I was wrong You're the one that keeps me strong You're the fire that keeps me warm How will I get through this storm?

Jay-Z: There you have it Young hov, Lenny Kravitz Not your average Get your umbrella It's raining macs and broads all grace to god

I walked away but I was wrong You're the one that keeps me strong You're the fire that keeps me warm
