

## Straight Cold Player

Lenny Kravitz

I'm a straight cold player  
Just a straight cold player  
Straight cold prayer  
Ouah !

Just a straight cold player  
Just a straight cold player  
Straight cold player  
Ouah!

I'm a straight cold player  
I'm just a straight cold player  
Straight cold player  
I'm just a straight cold player player

Straight cold player  
Just a straight cold player  
Straight cold player  
I'm just a straight cold player

Straight cold player  
Just a straight cold player  
Straight cold player
