Superlove

Lenny Kravitz

I want you All of you Can we break through And start a new

I want your superlove I wanna be inside your superlove I need the spirit with the sexual I wanna be inside your superlove

We both know The way to go Let's take a chance It's our last dance

I want your superlove I wanna be inside your superlove I need the spirit with the sexual I wanna be inside your superlove

I want your superlove I wanna be inside your superlove I need the spirit with the sexual I wanna be inside your superlove...
